Pool Scoring and Rules

ENTRY FEE: **$20.00 cash/check — Pool Payout: First Place 50%, Second Place 25%, Third Place 15%, Fourth Place 10%.**

Pool scoring is determined by adding the total points that each of the pool entrant's selections earn according to his finishing position. Points are awarded to all golfers who survive the 36-hole cut. The low amateur gets 7 points or higher if top twenty.

Pick two players from each group A, B, C, D, E and ONE from group F and ONE from amateur Group G. Points are awarded by each golfer's individual finish from 2nd through 30th, 2 points are awarded to those that made the cut but finished lower than 30th. Those that miss the cut or DNF for any reason are awarded zero points. The Masters winner's points are determined by which group he came from. e. g. If the winner is from Group B, he gets 35 points; from A he gets 30.

Only players on this form are eligible. Some players may withdraw (e.g. Tiger) or be added after this list is published. **Please make certain your selections are actually playing.**
