

Landings Men's Golf Association (LMGA)

What is the LMGA?

The LMGA is a friendly group of Landings Club golf members of all skill levels who are dedicated to improving the golf experience for members of the Landings Club.

In 2013, a core group of 225 Landings Club golf members formed the LMGA to initiate weekly play events, off-island competitions with other clubs, and fun-filled social events.

In addition, the LMGA supports Landings Club staff, assists with maintaining the quality and condition of our courses, and provides members with opportunities to take advantage of meaningful savings through LMGA's commercial partners program.

As we enter 2018 and the LMGA's 5th year of existence, the organization proudly supports nearly 425 members by providing a variety of golf, social, and educational events. The LMGA, in conjunction with the LWGA and L9GA, also provides organizational support to the Landings Club staff for Club-wide golf events such as the Super Bowl Scramble, the Pro Appreciation event, and the Superintendent's Revenge tournament.

Where Can I Find More Information about LMGA?

Things to know about LMGA:

How Is Weekly Play Conducted?

Registration for weekly play is completed online; usually up to three months in advance.

A variety of games are played: team better ball, individual and team Stableford, and modified scrambles. Team setups vary to ensure members play with a mix of other members: ABCD, AB & CD, and all A's, B's, C's, and D's. The games and team formats are available for each week.

The cost is \$5 per week and is charged to your Club account after each event played. Weekly registration fees are divided among the flight or individual winners and are available as pro shop credit.

A \$5 skins game is run most weeks.

A hole-in-one pool active for all LMGA-sponsored events also is available for entry.

All participants and weekly winners also earn Player of the Year points which accumulate through the year to determine the LMGA Player of the Year.

A Champion Golfer of the Year also is determined at the end of the two-day LMGA Championship each fall.

What is the Bouchillon–Ambrose Cup?

The Bouchillon-Ambrose (B-A) Cup competition matches are held regularly on the third Thursday of each month from January through September.

This competition pits four LMGA teams against each other. The LMGA teams are named after the four Landings Club clubhouses: Deer Creek, Marshwood, Oakridge, and Plantation.

The monthly matches use a Ryder Cup tournament setup with a rotating format of better ball of partners, alternate shot of partners, and singles; all games are conducted in a match play format.

From January through September, each team plays each clubhouse three times.

The competition for the Cup culminates in an exciting two-day tournament in early October to determine the annual B-A Cup champion.

"The Landings Men's Golf Association exists to expand and enhance the already excellent men's golfing experiences at the Landings Club. LMGA honors the heritage of the game and adherence to the rules of golf."

How Do I Join?

Membership in the LMGA is open to all male golf members in good standing of The Landings Club, who are 18 years of age or older, regardless of the Club membership option in which the golfer is currently enrolled. All rules of Landings Club membership options apply to LMGA play.

Applicants can submit a completed information form, which can be obtained from the LMGA web site at:

<http://golf-lmga.org/content/lmga-online-registration>

The annual Membership dues of \$50 are waived for all new LMGA members in their first year or partial year.

Non-golf playing members and their spouses can help us support the Club, enjoy our social events, and member discounts.
